

FONDY JUNIOR FOOTBALL

MANDATORY FAMILY PARTICIPATION FORM

Registration and participation in the Fondy Junior Football program will involve a time commitment from each child's parent(s) or guardian. Commitments can include various activities throughout the season. Activities include, but are not limited to; concession stand, Building Clean-Up, holding yardage/line markers, field maintenance, equipment hand-out, Equipment Turn In, etc.

The Family Participation fee of \$75 is collected at player registration and during the season each team will be assigned a period for various jobs that need to be done during practice and game days. The jobs are in 30 to 60 minute blocks with the exception of Team Manager. The JFL will provide a schedule showing times for the various jobs. Each team will have a Team Manager whose job it is to assign duties for their time block. This person will have to supervise and manage the personnel that work during the assigned period.

TEAM MANAGERS WILL MAKE SURE THAT ALL JOBS ARE DONE CORRECTLY AND WILL INFORM THE BOARD MEMBER OVERSEEING TEAM MANAGERS OF NO-SHOWS OR INCOMPLETE JOBS BY THE PARENTS DURING THE ASSIGNED PERIOD. The team manager MUST sign the Team Manager Expectations form. If all expectations are met the team manager will have all fees and registration fees returned to him/her as a benefit of taking on this position for their team. The one exception would be if their player's equipment is turned in not properly cleaned / on time.

There are two ways the Family Participation Program will work:

1. As stated the cost is \$75. If you put in a total of **5** hours during your teams assigned dates the \$75 fee will be **REFUNDED IN FULL** provided that you complete the jobs and 5 hours to the team manager's satisfaction.
2. The 2nd option is for you to opt out of working and forfeit your \$75.

Any leftover funds will stay in our general fund to help fund our program's needs: Building costs, upkeep, equipment, uniforms, helmets etc.
